Attached are the agreements associated with the assumption of your RV loan. A brief explanation of each follows:

RV Partnership Contract

This is the agreement between you (Primary Partner) and the person assuming your RV loan (Secondary Partner). We utilize a partnership contract in order to enforce maintenance and proper storage. There are normally no restrictions in financial institutions contracts regarding partnerships. Titles are not transferred until the Secondary Partner buys out the Primary Partner as outlined. The Secondary Partner transfers title and pays fees and taxes at time of buy-out. The Secondary Partner agrees to maintain the RV in accordance with the manufacturer's recommendations as set forth in the owner's manual. The RV must be stored properly, either enclosed or washed and waxed on a regular basis. The RV must be winterized no later than November 21 when and where applicable (to prevent frozen/broken water lines). The RV must be inspected as per agreed schedule by a RV dealer or certified mechanic who reports directly to you. Any and all excess wear or damage to RV must be repaired immediately. The Secondary Partner agrees to send to you copies of all maintenance records and photos of the RV every ninety days. If there is ever any doubt about the maintenance or storage, our company will inspect the RV upon notification.

The RV would be fully insured at all times with you listed as additional insured – by law, the insurance company would be required to notify you if there is a problem with the insurance. This way, you know the RV is insured at all times and you can cancel your existing insurance approximately thirty days after the agreements are complete. You can also legally make a claim on the policy and you are protected by the liability aspects of the policy.

The payments would be sent to you every month by the Secondary Partner in the form of a cashiers check or money order made payable to the lien holder listing you as the purchaser. If possible we will set up a direct draft. You will receive the payments at least ten days prior to your actual due date. This allows both you and the Secondary Partner to know that the payments are being made to the lien holder.

Disclosure/Terms

This agreement accompanies the Partnership Agreement. It discloses the RVs financial information and explains the key terms of the Partnership Agreement.

Marketing /Consignment Agreement

This is the agreement between Targa Marine and yourself. You appoint our company exclusive marketing agent for your RV; however, you retain all authority in regard to transfer or partnering of the RV. We require access to all RVs.. You agree to maintain your insurance while the RV is being marketed.. After you approve a potential Secondary Partner, we will arrange and/or verify full coverage insurance before allowing the Secondary Partner possession of the RV. After the transaction is completed, we will forward copies of all paperwork, including Secondary Partner's application and insurance binder, to you.

In the event of default by the Secondary Partner, we agree to correct the situation or repossess the RV. If the RV is repossessed you have two options: If the RV has been paid down into an equity position you may sell the RV and retain the equity. Or, we will market the RV to a second Secondary Partner and reimburse you for all money owed to you by the first Secondary Partner up to the amount of our net brokerage fee.

Limited Power of Attorney

This document allows us to secure licensing to payoff your loan and transfer title. This assures the Secondary Partner a secured interest in the RV.

(1.) "No transfer, extension, renewal or assignment of this contract or any interests thereunder, and no loss, damage or destruction of said property shall release buyer from his obligation hereunder. Both parties hereby release each other and marketing agent from any claims arising out of the exercise of any remedy by said financing/leasing agency. financing/leasing agency, this agreement shall be terminated except that each party shall be entitled to enforce any remedy herein provided.
